### Century 21 Tri-Cities partners up with the Richland Police Department Foundation

Century 21 Tri-Cities and the Richland Police Department Foundation teamed up earlier this year to create the Easter Bunny Spring Bash. Century 21 Tri-Cities sold tickets for children to take photos with the Easter Bunny, as well as enjoy some other fun activities with special thanks to various companies who helped sponsor the event! The proceeds from the Easter Bunny Spring Bash were then donated to the Richland Police Department Foundation. The foundation's mission is to support those who support them and build a safer community with the Richland Police Department and help provide the community with a sense of fellowship and compassion that all citizens can support in order to continue to be safe for future generations. We want to sincerely thank the Richland Police Department Foundation for everything they do for our community!
