CENTURY 21 TRI-CITIES NEWLY RANKED 1% IN NATION

Century 21 Tri-Cities kicks off 2020 announcing that we are ranked the top 1% in the nation. With 8,800 office worldwide we are proud to announce that we have also placed in 24th in the United States. Announcing this amazing news to our agents and staff at our annual Kick off meeting was extremely exciting, because without our Century 21 team this wouldn't have been possible.

Our Tri-Cities office continues to provide excellent services through our staff and agents and introducing new programs and materials that will allow for easier and quicker access to meet all your real estate needs in our rapidly growing area.

Century 21 Tri-Cities is a local residential and commercial real estate sales organization and broker office serving the Tri-Cities area. For more details about Century 21 Tri-Cities, please visit www.c21-tc.com or call us at 509.572.2465.
